

09 December 2025

To whom it may concern,

I am writing to offer the full support of The Maltings (Berwick) Trust for the presentation of Anthony Lo-Giudice's work, specifically the performance piece *Se Gaest The Guest*, in Berwick-upon-Tweed as part of the 2026 tour.

The Maltings is committed to bringing high-quality and diverse performances to our community, particularly while our main venue is undergoing closure. We have been in active discussions with Anthony Lo-Giudice regarding the inclusion of *Se Gaest The Guest* in our 2026 programme, and we are very enthusiastic about the project.

We have successfully locked in **Friday, June 12, 2026**, as the confirmed date for the performance. We are currently finalising the venue, with the Berwick Peace Church being the preferred location.

We believe that bringing Anthony Lo-Giudice's work to Berwick will be a significant cultural event for our town and will provide an excellent opportunity for community involvement through pre-show engagement activities.

Please do not hesitate to contact me if you require any further information.

Sincerely,

Daniel Cox
